*You are welcome to use this worksheet to track your service hours worked between September 1, 2013 and December 31, 2014. Once you have completed the sheet, or met the service hour requirement for the year (12 hours for Sep. 1, 2013– Dec. 31, 2014), you may send your worksheet to the Membership Chair (Pamela Bannick). Alternatively, you may send an email with the information above, each time you help out at an event. Please send the email to the Membership Chair ([pbannick@ameritech.net](mailto:pbannick@ameritech.net)). In collecting the service hours, you must work at a minimum of one Club sponsored event during the year (e.g., trials, matches, seminars, work bees, etc.)*
